## Come "fly" over the Rainforest We'll take your breath away!

Located in Cairns, Australia, Rainforest Flyway is a world leader in ecotourism. We take our guests on a breathtaking "flight" over rainforest trees and straight into the heart of the rainforest for an unforgettable experience.

On the Flyway, you'll experience over 7.5 km of living rainforest while learning about this spectacular place. Did you know that Australia's rainforests are home to over 3,000 different plant species? And some of the trees here are more than 3,000 years old! After this visit you'll understand why it's so important to preserve the rainforests. And you'll see that environmentally responsible travel can be fun, educational, and breathtaking.

Even if you're a world traveler, you've never experienced anything like the Rainforest Flyway. You'll start your unique journey above the rainforest, as you "fly" in a comfortable gondola only a few meters above the trees. Sit back and enjoy the extraordinary scenery.

Then your gondola will bring you down into the rainforest itself where you follow a path to see, hear, and smell the rainforest environment from the ground. Free tours are available several times a day. Tour guides can point out some unusual plants, provide you with interesting facts about rainforest ecology, and answer your questions.

Rainforest Flyway has won numerous awards, including *Travel Planet* magazine's "Best Ecotourism Destination." Call or visit us online to make your reservations.
