David's Beach Adventure

David's flat is very near the **beach**. He can sit on the balcony and (1) **watch** all the people who are having fun in the water. David loves the sea, and often swims in the morning before he goes to school. But he usually does that in the summer when the water's nice and (2) **warm**.

But one cold December day in the winter school holidays, David sat on the sofa and looked at the sea. "I've nothing to do. I'm so (3) **bored**," he thought. "I know! The water might be very cold but I'll go for a swim!" It only (4) **took** David two minutes to put on his swimming shorts, find a large towel and run across the sand to the sea. He slowly put one foot in the water and quickly pulled it out again!

"David! What are you doing?" his mother called from the flat. "I want to go swimming, Mum!" David answered. "But the sea is colder than (5) **ice**." "I'll go to the new swimming pool in town instead! Bye!"
