

LONELY (Justin Bieber)

Everybody knows my _____ now
But somethin' 'bout it still feels _____
Like lookin' in a mirror, tryna steady yourself
And seein' somebody else
And _____ is not the same now
It feels like all our lives have changed
Maybe when I'm _____, it'll all calm down
But it's killin' me now

*What if you had it _____
But nobody to _____?
Maybe then you'd know me
'Cause I've had everything
But no one's _____
And that's just f- lonely
I'm so lonely*

Everybody knows my _____ now
Like my house was always _____ glass
And maybe that's the price you pay
For the _____ and fame at an early age
And everybody saw me _____
And it felt like no one gave a sh-
They criticized the things I _____ as an idiot kid

(CHORUS)

I'm so _____
Lonely

all
call
did
everything
listening
lonely
Lonely
made of
money
name
older
past
sick
strange
