

MY SCHOOL RULES

In my school, there are a lot of rules. We must arrive at 5:55 and we mustn't be late. We must wear a uniform. In the classroom, we mustn't make a noise, and we mustn't use a mobile phone. We must listen to the teacher carefully and we mustn't eat or chew gum. Besides, we must do the classwork correctly, and we must pay attention to the explanations. During the breaks, we mustn't be in the classroom. My classmates and I must do homework every day after school.
