Jill's Trip to Japan

Next month I am going to visit Japan! I am so excited, it is my first time visiting an Asian country! I am going to travel with my 2 best friends, Sara and Hanna. Our airplane leaves on November, 12 at 5:00AM! We will wake up early and take a taxi to the airport. We will arrive in Tokyo in the evening on November 12! We will be very tired from traveling all day so we will go to our hotel, take showers, and sleep. This is our schedule for our visit to Japan:

November 13 - On this day we will see some famous attractions in Tokyo. We are excited to try sushi and ramen! We will go to a sushi restaurant where there is no server because you order the sushi on the computer! So cool! We will also go to the famous art museum and Senso-Ji temple.

November 14 - We will go to the amusement park, DisneySea! I am so excited because I love Disney movies and roller coasters! My friend, Sara, does not like roller coasters but she is excited to eat a lot of delicious snacks! We will wake up early and take the subway to the amusement park. We want to be there early so we have enough time to see and do everything!

November 15 - We will go to Mt. Fuji on this day! Again, we will wake up early and take a very fast train to a town called Hakone. The trip will take 2 hours. We will go to the store and pack a lot of snacks for the ride. I think it will be very nice to look out the window and listen to music. In Hakone we will go to see Mt. Fuji! Mt. Fuji is near a lake and the scenery is so beautiful! I am going to take a lot of photos!

November 16 - On this day we will go shopping! I am going to buy some souvenirs to take home to my family. We will also go to a shop that is famous for green tea ice cream and desserts. In the evening we will go to the hotel and pack our suitcases.

November 17 - On this day we will leave Japan. We will be very sad to leave! The airplane will leave at 8:00AM so we will wake up, eat breakfast, and take a taxi to the airport. Goodbye Japan, see you again!
