READING COMPREHENSION

Read the text below about **Vincent van Gogh**, a famous artist in history.

Vincent van Gogh

Vincent van Gogh was a Dutch painter. He was born in 1853 in the Netherlands. He didn't have an easy life and he suffered from health problems. Van Gogh started to paint when he was a young man, and he created more than 2,000 artworks. One of his most famous paintings is *The Starry Night*, painted in 1889. He was very interested in colors and nature, so he painted flowers, trees, and the countryside.

Unfortunately, he was not very famous during his life. People didn't buy his paintings, but today they are some of the most expensive artworks in the world. Van Gogh died in 1890, but he is remembered as one of the greatest painters in history.
