Subject My advice

Dear Tara,

\_\_\_\_\_ you are feeling unhappy at your new school.  
\_\_\_\_\_ is \_\_\_\_\_ them. This way your classmates will get  
tired of \_\_\_\_\_ of you when they don't get a reaction and they will  
get used to your \_\_\_\_\_. \_\_\_\_\_ ask at school if there is a school  
counsellor. Sharing your feelings with someone at the school will help you  
feel better. \_\_\_\_\_ and you make some new friends soon.

We all miss you here.

Write soon,

Susie
