

**Read the following text.**

Last week, my family and I were at the airport. We were at the check-in when someone came to us. He asked, "Did anybody see my bag?" Everybody looked at him, but no one said anything. Then, I told him that I saw a bag at the airport hall. He ran quickly. Later, he came back with a big black bag. I felt happy because I helped someone to find what he lost.

**Choose true (T) or false (F).**

- |                                         |      |       |
|-----------------------------------------|------|-------|
