Questions 10 to 14

Read the text below and answer the questions that follow. For each question, choose the correct answer **A, B or C**. Mark the correct answer **A, B or C** on your answer sheet.

A Glass of Milk

There once was a poor boy who spent his days going door to door selling newspapers to pay for school. One day, as he was walking selling his newspaper, he started feeling low and tired. The poor boy was hungry, so he decided to ask for food when he was at the next house.

The poor boy asked for food but no one wanted to help him, until he was at a house of a girl. He asked for a glass of water, but seeing his poor look, the girl came back with a glass of milk. The boy asked how much it was for the milk, but she said it was free.

Years later, the girl, who was now a grown woman, fell sick. She went from doctor to doctor, but no one was able to help her. Finally, she went to the best doctor in town.

The doctor spent months to help her until she was finally fine. She was happy but she was afraid to see the bill. But, when the hospital gave her the bill, it read, 'Paid in full, with a glass of milk.'

10 Why did the boy sell newspapers?

- A** To walk from door to door.
- B** To pay for his school fee.
- C** To ask for food.

11 Why did the girl give the boy milk instead of a glass of water?

- A** The boy looks terrible.
- B** No one wanted to help him.
- C** The milk was free.

12 The girl went from doctor to doctor because

- A** She was a grown woman.
- B** She wanted to get well.
- C** She wanted to go to the town.

13 Why was she afraid to see the hospital bill?

- A** She was worried about the cost.
- B** She was afraid of hospital bills.
- C** She was scared of the hospital.

14 In your opinion, why did the hospital give a bill written 'Paid in full, with a glass of milk'?

- A** The doctor knew she didn't have money.
- B** The doctor made people healthy for free.
- C** The doctor was the boy she had helped.

PART 4
[6 marks]

Questions 15 to 20

Read the texts about three different jobs. For each question, choose the correct answer (A, B or C) which fits the description. Mark the correct answer A, B or C on your answer sheet.

Azman	Azman is a teacher. He works in a primary school in Kuala Lumpur. He's worked at the school since he left university. He chooses this job because he likes working with children. He enjoys teaching and playing with them. When he first started this job, all the children were afraid of him because he looked scary but now he's the most popular teacher in his school. He likes his job because he feels great seeing the children smiling when they were able to do something.
Martin	Martin is a librarian at a university in Sarawak. He's worked there since 2010. He buys and takes care of the books in the library. Most people would think that working in the library is a boring job but Martin never thought so. Every day he learns something interesting or even get a new friend! He enjoys working with books and sometimes when there are not many people in the library, he would be able to enjoy his favourite books.
Jeff	Jeff has been a police officer for 10 years. But he doesn't work with other police officers. He has Terry! Terry is a police dog. He and Terry work together to catch bad guys. One time, a bad person almost got away but luckily Terry was able to catch the person. They also save people who are lost. Jeff feels good to help people in difficult situations. He didn't choose this job but he's glad he can work with Terry.

Read the statements below and write A,B or C in the space provided. The first statement had been done for you.

A	Azman
B	Martin
C	Jeff

- 0 This person works in a school.
- 15 Seeing the children's happy faces makes this person feel great.
- 16 This person has an animal as his work partner.
- 17 Reading is this person's hobby.
- 18 This person didn't choose his job.
- 19 This person never thinks his job is not interesting.
- 20 This person is very famous in the place where he works.

A
