

RESTORING FURNITURE

You will hear an online talk by a man called Thomas Booth about how to restore old furniture. For questions 1-10, complete the sentences with a word or short phrase.

1. Thomas took a long time to clean the _____ on the first item he restored.
2. Thomas recommends looking for any _____ on an item, to find out whether it's valuable.
3. If the restored item is valuable, Thomas suggests setting yourself a _____ before starting work.
4. Thomas reminds listeners to put a _____ on every part to help re-build an item.
5. According to Thomas, first-time restorers should refer to a _____ while working.
6. Thomas always wears a particular item of clothing, glasses and a _____ while he works.
7. Thomas uses a _____ to clean smaller parts of an item.
8. Thomas was lucky to find a replacement _____ the same as one missing from an item he was working on.
9. Thomas uses the word " _____ " to describe an old finish which doesn't come off easily.
10. Using a certain tool made from _____ will prevent damaging a restoration item.
