My Online Weekend

Hi, I'm Lucas. Last weekend, I stayed at home and spent a lot of time online.

On Saturday, I _____ **(chat)** with my cousin in the evening.
We _____ **(message)** each other all day about a new video game.
I also _____ **(share)** some funny memes with my friends.

I _____ **(post)** a photo of my dog on Instagram and _____ **(tag)** my sister because she took the picture. A lot of people _____ **(click)** "like" and left comments!

On Sunday, I was a bit lazy. I _____ **(stream)** a movie on Netflix and _____ **(download)** a new music app. I also _____ **(look) up** some recipes because I wanted to cook something easy for lunch.

It was a fun and relaxing weekend—thanks to my phone and the internet!
