

Holding Out for a Hero Footloose

Listen and Choose

Where have all the good men gone
And where are all the gods?
Yeah?

Where's the streetwise Hercules
to fight the rising odds?
I'd like to know

Isn't there a white knight upon a firey steed?
Late at night I toss and I turn
I toss and I turn ooooo
And I dream of what I need

I need a hero

Doo doo doo doo
Doo doo doo doo
Doo doo doo doo ah! Ah!

Somewhere after midnight in my wildest fantasy
Somewhere just beyond my reach
There's someone reaching back for me
Hoo hoo hoo hoo

Racing on the thunder
And rising with the heat
It's gonna take a Superman
To sweep me off my feet

I need a hero
I'm holding out for a hero til the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero til the morning night
He's gotta be sure
And it's gotta be soon
And he's gotta be larger than life
Larger than life
Doo doo doo doo ah! Ah!

Up where the mountains meet the heavens above
Out where the lightning splits the sea
I could swear there is someone somewhere watching me
Through the wind and the chill and the rain
And the storm and the flood
I can feel his approach like a fire in my blood

Like a fire in my blood
Like a fire in my blood
Like a fire in my blood
Like a fire in my ah! Ah!

I need a hero
I'm holding out for a hero til the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be fresh from the fight

I need a hero
I'm holding out for a hero til the morning night
He's gotta be sure
And it's gotta be soon
And he's gotta be larger than life
Larger than life
Doo doo doo doo
Doo doo doo doo
Doo doo doo doo ah! Ah!
I need a hero!
