Янина Шевчук

The slide features a central white rectangular area with a dashed border, containing four educational icons: a book, a chalkboard with the equation $1 + 2 = 3$, a pencil, and a backpack. To the left of this area is a vertical stack of three pink circular icons: a pencil, a hand holding a pencil, and a hand holding a book. The background is a dark blue space scene with a large purple planet in the center, a blue planet at the bottom, and a dotted line path leading from the bottom towards the center. A large purple semi-circle is also visible behind the central white area.
