„The Maze Runner” is the first story in a science fiction series for teenagers. It’s an exciting and scary story set in the future. James Dashner is the American author of the books. They’re very popular with young people in America and Britain.

Thomas, one of the main characters, arrives in the mysterious place called the Glade. He can’t remember anything about his life. There are more young boys in the Glade. They also can’t remember anything. Every Monday another boy arrives. But then a mysterious girl called Theresa arrives – she is the last teenager to arrive. Perhaps she can help?

If you didn’t read the books, you can always watch one of the films. They’re very exciting, too!
