

# LISTENING

Listen to Brendan, Bob, Fernanda and Leila. Complete the statements with the words you hear in the audio.

**BRENDAN:** I always give my girlfriend an expensive \_\_\_\_\_ present. I \_\_\_\_\_ give her flowers or \_\_\_\_\_. I \_\_\_\_\_ give \_\_\_\_\_ jewelry- maybe a \_\_\_\_\_ or earrings - or maybe a \_\_\_\_\_. She loves expensive \_\_\_\_\_. But clothes are difficult because I don't know what she likes. So she \_\_\_\_\_ chooses them, and then we \_\_\_\_\_ them together.

**BOB:** We don't buy \_\_\_\_\_. We give the children \_\_\_\_\_ cash and then they \_\_\_\_\_ their own presents. I think that's \_\_\_\_\_ because they know what they want. And then we do \_\_\_\_\_ fun together: maybe \_\_\_\_\_ to eat or go to the \_\_\_\_\_.

**FERNANDA:** We buy small \_\_\_\_\_ presents for the children: \_\_\_\_\_ toys or clothes, something small, like a \_\_\_\_\_ car or a \_\_\_\_\_, maybe. Some people buy things like a laptop or a \_\_\_\_\_, but I don't like giving expensive presents. I prefer to give \_\_\_\_\_ presents.

**LEILA:** My \_\_\_\_\_ doesn't think clothes or \_\_\_\_\_ are important. He doesn't need many things, and he \_\_\_\_\_ like spending money on himself. But he reads lots of books, and he likes movies, so for \_\_\_\_\_ birthday, I usually buy him a \_\_\_\_\_ or a \_\_\_\_\_. He's very easy!
