My Best Friend

Marcos is my best friend. He is 28 and he lives in a village near my city. He has two sisters, but he doesn't live with his family. He lives with his friend, Erik. His birthday is on the fourth of April.

Marcos works in an office. He is a business manager. His colleagues like him a lot because he is friendly. He starts work early and smiles and says hello to everyone in the morning. He also helps people with their work. He finishes work late.

We do a lot of things together. Marcos loves sport – he can play football and tennis. We play football on Fridays after work with our friends and we play tennis three times a week. At the weekend we meet for coffee. But some things we don't do together. I play the guitar, but Marcos can't. He also doesn't like to sing, so I play the guitar with my sister – she sings with me. It's fun!

I really like Marcos. He listens to my problems and he never forgets my birthday. He's a great manager and a great friend.
