MATH LADDERS – Multiply and Divide to 100

Contents:

- 30 Ladders (3 to a page)
- Answers Key with answers on each ladder.
- Student response sheet for answers only if using at a center.
- Answer Key on one page.
- Award Certificate (4-up)
- 3 blank ladders for the teacher or students to write additional MATH LADDERS.

MATH LADDERS –

Multiply and Divide to 100

Directions:

- ❖ Start with the number at the bottom and move up the ladder.
- ❖ Multiply or Divide as directed in each bubble.
- ❖ Write the answer to each problem on each step of the ladder.

Write the final
answer in the
cloud. . . or on
the response
sheet.

WRITE the ANSWER in the CLOUD.

Sample

WRITE the ANSWER in the CLOUD.

A vertical ladder with 10 rungs. A cartoon pencil character is at the bottom. The ladder is labeled with operations in speech bubbles: Multiply by 8, Divide by 3, Multiply by 6, Divide by 9, Multiply by 5, Divide by 9, and Start with 81. The ladder is labeled #1 at the bottom.
