

[illegible]

A 10x10 grid of squares, some of which are filled with blue ink, representing a sparse matrix or a specific data set. The grid is composed of 100 squares in total. The blue ink is concentrated in the middle rows, particularly in the 4th and 5th rows, where it forms a pattern that resembles a stylized 'H' or a specific data structure. The top and bottom rows are mostly empty, with a few squares filled in the bottom row.
