

Complete the email with the correct form of the verbs in parentheses.

Grammar Reference

Hey, guys. Would you like <sup>1</sup>  (*see*) the boat show this weekend? I can get tickets for either Saturday or Sunday. I'd rather <sup>2</sup>  (*go*) on Sunday, I think, because I prefer <sup>3</sup>  (*do*) housework and errands on Saturdays. Also, I'd rather <sup>4</sup>  (*take*) the bus because I hate <sup>5</sup>  (*drive*) in a lot of traffic, and I'd kind of prefer <sup>6</sup>  (*get*) there early. What do you think? Does all of that sound OK?
