I. Complete the lines with the past form of the verbs in brackets

You(take) my hand

You(show) me how

You(promise) me you'd be around
ah huh that's right

I(take) your words

And I(believe)

In everything you(say) to me
yeah huh that's right

II. Order the lines of the chorus

 You'd be long gone

 I know better

 I'd stand up and punch them out

 If someone said three years from now

 Cause you said forever

 Cause they're all wrong

 And everWho knew

Remember when we(be)such fools

And so(convince) and just too cool

I wish I could touch you again

I wish I could still call you a friend

I'd give anything

When someone(say) count your blessings now
before they're long gone

I guess I just(not/know) how

I(be) all wrong

But they(know) better

Till you(say) forever

And ever ...Who(know)

What happened

If someone said three years from now

You'd be long gone

I'd stand up and punch them out

Cause they're all wrong and

That last I'll cherish

Until we meet again

And time makes it harder

I wish I could

But I keep your

You visit me in my
