Online shopping companies have completely 1. \_\_\_\_\_ the way people do shopping all around the world. Today, 2. \_\_\_\_\_ can sit at home and order almost everything they need from groceries to computers. The online shopping companies like Amazon and Temu deliver their 3. \_\_\_\_\_ to the customers' homes. This has affected the traditional 4. \_\_\_\_\_ shops very badly. People 5. \_\_\_\_\_ that items in online shops are cheaper than those in traditional shops. As a result, many traditional shops have closed businesses.
