

Name: _____

Date: _____

of group: _____

1. Reading: A Day in the Life of an Environmental Technician

Maria **is** an environmental technician. She **works** in a small town near the mountains. Every morning, she **checks** the air quality and **collects** water samples from the river. The river **is** usually clean, but sometimes it **is** polluted because of nearby factories.

Maria **is responsible** for writing reports and **sending** them to the local government. Her job **is** important because it helps to protect nature and people's health. She **is** very careful and **uses** modern equipment. Her team **is** friendly and always **helps** each other.

The weather in the town **is** often hot and dry, so Maria **wears** a labor overall and strong boots. She **is** happy with her job because it **is** useful and interesting.
