

**2** Read about New Zealand. Write the words in bold next to the correct definitions (a–h).

New Zealand has three main <sup>1</sup>**islands**. The <sup>2</sup>**capital** city is Wellington, but the biggest city is Auckland. They are both <sup>3</sup>**modern** cities with many new buildings. New Zealand is <sup>4</sup>**famous** for its scenery and is <sup>5</sup>**popular** with <sup>6</sup>**tourists** from all around the world. Most arrive in Auckland. It has a large <sup>7</sup>**international** airport. New Zealand has sea all around it. This means there are some great <sup>8</sup>**beaches** for swimming and surfing.
