**Memory Lane – Complete the Text**

When I was a child, I **used to** live in a small town near the mountains. Every summer, my family and I \_\_\_\_\_ go camping by the lake. We \_\_\_\_\_ make a fire and tell stories under the stars. My sister \_\_\_\_\_ collect wildflowers, and I \_\_\_\_\_ take photos with my old camera.

On rainy days, we \_\_\_\_\_ stay inside and play board games. My parents \_\_\_\_\_ cook warm soup, and we all \_\_\_\_\_ sit together and laugh.

I really miss those days. Life \_\_\_\_\_ feel so simple back then.
