Evaluasi

To deepen your understanding, answer the questions below with clear and correct responses! Write your answers in your notebook, scan the results, and submit them through the provided link!

Pilihan Ganda

Read each question carefully before choosing your answer. Select the option that you think is the most correct by marking the letter (A, B, C, or D). Make sure to review your answers before submitting them.

1) Read the following text:

How to Make a Cup of Hot Tea

Materials:

- 1 tea bag
- 1 cup of hot water
- 2 spoons of sugar
- A teaspoon

Steps:

- Boil the water until it is hot.
- Put the tea bag into a cup.
- Pour hot water into the cup.
- Add sugar and stir well and serve while hot.

What is the main purpose of the text above?

- A. To describe the taste of tea
- B. To explain how to make hot tea
- C. To tell about the history of tea
- D. To persuade people to drink tea

2) Read the following text:

How to Turn on a Computer

Steps:

- Make sure the power cable is plugged in.
- Press the power button on the CPU.
- Wait until the monitor shows the desktop screen.
- Enter your password if necessary.

What should you do after pressing the power button?

- A. Plug the power cable in
- B. Turn off the computer
- C. Wait until the monitor shows the desktop
- D. Enter your email and password immediately

3) Read the text:
How to Make a Sandwich

Materials:

- 2 slices of bread
- 1 slice of cheese
- 1 slice of tomato
- 1 lettuce leaf

Steps:

- Put the cheese, tomato, and lettuce between two slices of bread.
- Add mayonnaise if you like.
- Serve it on a plate.

What is the first step in making the sandwich?

- A. Add mayonnaise if you like
- B. Put cheese, tomato, and lettuce between bread
- C. Slice the bread first
- D. Serve it on a plate

4) Read the text:
How to Water Plants Properly

Steps:

- Prepare a watering can filled with water.
- Pour water slowly on the soil, not on the leaves.
- Water the plants in the morning or afternoon.
- Do not water too much to avoid flooding.

Why should we avoid watering too much?

- A. Because plants need more water
- B. Because it may cause flooding in the soil
- C. Because the soil will be too dry
- D. Because plants cannot grow

5) Read the text:
How to Charge a Smartphone

Steps:

- Prepare your smartphone and charger.
- Plug the charger into the electricity socket.
- Connect the charger to your smartphone.
- Wait until the battery is full.
- Unplug the charger.

What should you do after plugging the charger into the socket?

- A. Prepare your smartphone
- B. Connect the charger to your smartphone
- C. Unplug the charger immediately
- D. Wait until the battery is full

6) Read the text:

How to Use a Rice Cooker

Steps:

- Wash the rice until it is clean.
- Put the rice and water into the rice cooker.
- Close the lid and press the “cook” button.
- Wait until the “warm” button turns on.
- The rice is ready to serve.

What should we do before putting rice into the cooker?

- A. Close the lid
- B. Wash the rice until clean
- C. Press the cook button
- D. Wait until it is cooked

7) Read the text:

How to Make Pancakes

Making pancakes is very easy if you follow the steps carefully. First, prepare the ingredients: 1 cup of flour, 2 eggs, 1 glass of milk, 2 spoons of sugar, and a little salt. Second, mix the flour, sugar, and salt in a bowl. Then, add the eggs and milk into the mixture. Stir until the dough is smooth. Heat a frying pan and pour a little oil. After that, pour one scoop of dough into the pan and wait until small bubbles appear. Flip the pancake and cook the other side. Finally, serve it on a plate with honey or chocolate.

What is the purpose of the text?

- A. To explain what pancakes are made of
- B. To describe how pancakes taste
- C. To explain how to make pancakes
- D. To persuade people to eat pancakes

8) Read the text:

How to Wash Clothes with a Washing Machine

Before you wash clothes with a washing machine, you should separate white and colored clothes. This is important to avoid color mixing. Next, put the clothes into the machine and add detergent. Then, close the lid and choose the washing program. Usually, there are options such as quick wash, normal wash, or heavy wash. After selecting, press the start button and wait until the process is finished. Once done, take out the clothes and hang them under the sun to dry.

Why should we separate white and colored clothes before washing?

- A. To make the washing faster
- B. To avoid the color from mixing
- C. To save detergent
- D. To reduce the electricity

9) Read the text:

How to Make a Kite

To make a kite, first prepare bamboo sticks, string, paper, and glue. Shape the bamboo sticks into a cross and tie them tightly with string. Cover the frame with paper and glue the edges. Attach a long tail made of paper or cloth to balance the kite. Finally, tie a long string at the center so you can fly it. A kite is best flown in a wide open field where there is enough wind.

What is the function of the tail of the kite?

- A. To make the kite look beautiful
- B. To balance the kite while flying
- C. To make the kite fly higher
- D. To make the kite lighter

9) Read the text:

How to Operate a Blender

First, prepare the blender and check if it is clean. Second, put the ingredients, such as fruits, sugar, and water, into the jar. Do not fill it too much, because it may spill. Third, close the lid tightly. Then, plug the blender into the electricity socket and choose the speed button, low or high, depending on your needs. Blend until the mixture is smooth. Finally, turn off the blender, pour the juice into a glass, and serve.

What should we do before plugging the blender into the electricity socket?

- A. Choose the speed button
- B. Check if the blender is clean
- C. Close the lid tightly
- D. Pour the juice into a glass

Uraian

Please answer the following essay questions carefully and completely. Read each question thoroughly before writing your response.

- 1 Explain in your own words what a procedure text is and give one example from daily life.

- 2 Why is it important to use imperative sentences in a procedure text? Give two examples of imperative sentences.

- 3 Read the following short procedure text and identify its three parts (Goal, Materials, Steps):
How to Make Hot Chocolate
