

The doctor always tells me,
'An apple's good for you.'
Well listen to my story.
It isn't always true.

I was in the kitchen.
There was apple cake.
I swallowed it but it was big.
I've got stomach-ache.

It's not true! It's not true!
It isn't always true.
What the doctor tells me,
isn't always true!

I was at the apple farm.
I looked up at a snake!
I walked into an apple tree.
My head now really aches.

It's not true! It's not true! ...

I was at the market
With my family.
I took a box of apples but
They landed on my knee.

It's not true! It's not true! ...
