

Linda and her mum are going on holiday. They need to choose a hotel room. Which room do they like? Read the dialogue and find it out.

A

This room looks nice. There is a table, two chairs and a bookcase.

Linda, but there is one bed.

B

Mum, do you like this room?

Hm. There are two beds, four chairs, a nice mat and a big lamp. I don't see a table here. No, I don't like it.

C

There are two beds and three chairs. There is one table and a nice pink mat. Oh, and there are two lamps. I like it!

Linda, look! What a great room.

D

Let's book it.

Done!
