A School Fair

Last Saturday, our school had a fair. In the morning, we watched a football match between Class 5A and 5B. The match ended in a draw, so both teams were happy.

After that, students built small tents for games. One game was climbing a ladder and touching a pole. Another game used a rope for skipping. We also had a race where we carried books on a tray.

In the afternoon, there was a contest to measure how far students could jump. The day finished with a play. Children acted on stage, and everyone clapped.
