🕮 Reading – Maura's Story (Adapted Version)

Maura is ten years old. She lives in **Leticia, Amazonas** 🌳.
Her house is small and made of wood.

Her father is a **fisherman** 🎣. Sometimes fishing is hard because the river is low.

At school, Maura learns **math, English, and science**. She also learns about **recycling** ♻️.
Every week, she and her classmates **pick up trash** at school.

In the afternoon, Maura plays in the forest 🌲. She sees **monkeys**, **parrots**, and sometimes **jaguar footprints** 🐾.

Maura helps her little brother with homework 🕮.
She dreams of being a **biologist** 👩‍🔬 to protect animals and plants.
