### A Funny Holiday Trip

Last winter, Carlos decided to go on a holiday with his two best friends, Ana and Lucas. They wanted a fun trip to the mountains in southern Brazil. They imagined cold mornings, warm cocoa, and beautiful snow... but reality was different.

They went by bus, and the trip took seven hours. The bus was very small and uncomfortable. Ana complained the whole time about her seat, Lucas slept and snored loudly, and Carlos tried to read a book, but the lights kept turning off.

When they arrived, the weather was not what they expected. Instead of snow, it was raining all the time. They had brought winter jackets and boots, but the rain made everything wet. Their hair was messy, and their shoes were full of mud.

The place they stayed was a small cabin near the lake. The photos online had looked amazing, but the cabin smelled a little strange, and the heater did not work well. Every night they tried to sleep, but the wind howled so loudly that it sounded like a ghost was outside.

The food was another adventure. One night they ordered pizza. When it arrived, it was cold and a little burned. Another day, they tried a local dish called “truta” (trout fish), but Lucas did not like it and accidentally threw a piece into the lake!

Despite all the problems, they had fun. They played cards, told jokes, and made funny videos in the rain. Carlos and Ana argued a little about which movie to watch, and Lucas tried to sleep during all their games, but they all laughed in the end.

On the last day, the sun finally appeared. They went for a short walk in the forest and took many photos. They promised each other that they would never forget this trip — not because it was perfect, but because it was so chaotic and funny.

On the bus back home, everyone slept immediately. Carlos thought about the trip and laughed. Sometimes, the worst holidays are the ones you remember the most.
