Hi Carl,
How are you? Guess what! I'm taking a karate class! I know you're crazy about karate too! My class is every Wednesday evening from 6.00 until 7.30. There are twelve other kids in my class: seven boys and five girls. Some of them are a bit shy, but the others are really outgoing. Our teacher; Mr. Stevens, is very friendly. We have lots of fun. Karate is good exercise, so at the end of the class I'm always tired.
The bad news is that I can't go to my class this week. I have a physics exam on Thursday, so this week I'm studying in the evenings after school. But right now, I'm getting ready to go to the skatepark! There's a rollerblading competition today!
Bye for now,
Billy
