

Work It Out

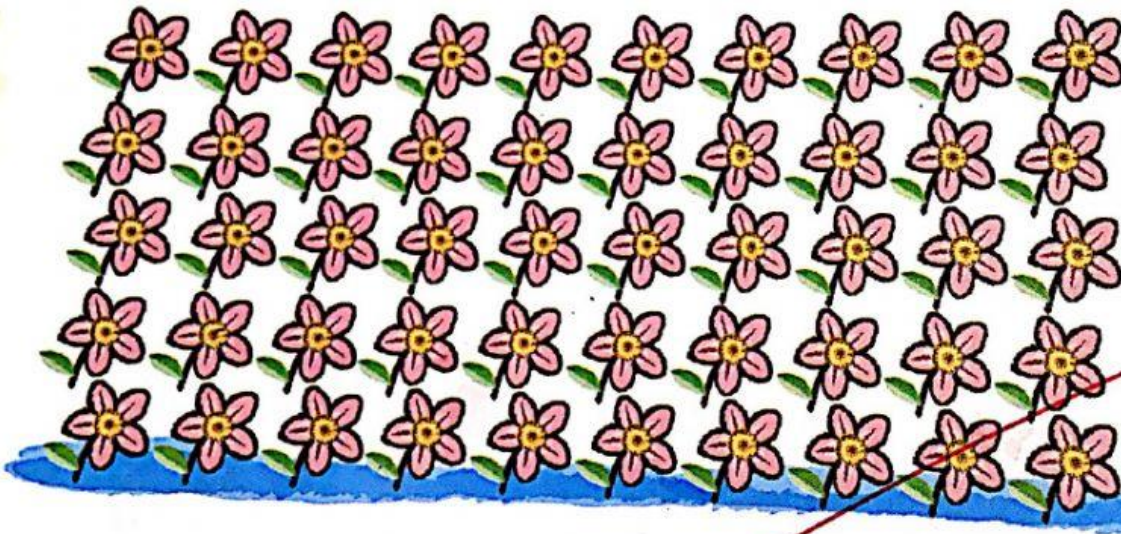

1. Cut a 20-metre ribbon into 10 equal pieces. What is the length of each piece of ribbon?

$$20 \div 10 = 2$$

Each piece of ribbon is 2 m long.

2. Ring groups of 10 and complete the division sentence.

$$50 \div 10 = 5$$

There are 5 groups of 10.

Divide 90 by 10.

4. Fill in the boxes with the correct answers.

$7 \times 10 =$

70

$\div 10 = 7$

$9 \times 10 =$

90

$\div 10 = 9$

$10 \times 10 =$

100

$\div 10 = 10$

$5 \times 10 =$

50

$\div 10 = 5$

$2 \times 10 =$

20

$\div 10 = 2$

$8 \times 10 =$

80

$\div 10 = 8$

$6 \times 10 =$

60

$\div 10 = 6$

$4 \times 10 =$

40

$\div 10 = 4$

$3 \times 10 =$

30

$\div 10 = 3$
