

Dear Harry,

I am ...**having**... such a good time with my family. We went to London last Sunday by plane. We are staying at a hotel by the sea. The **(1)** is hot and sunny in the morning but rainy in the afternoon. The first day I came here, I got up early and **(2)** a long swim. I felt so good because the air was fresh and the beach was beautiful. I also made some new friends from Spain who also stayed at our hotel. They were friendly and kind. They taught me how to speak their **(3)** and so did I. Yesterday I **(4)** shopping in an old market and I bought you a nice gift. I hope you like it. See you **(5)** I get home.

Love,

Emma
