

Dear Harry,

I am ...**having**... such a good time with my family. We went to London last Sunday by plane. We are staying at a hotel by the sea.

The **(1)**

is hot and sunny in the morning but rainy in the afternoon. The first day I came

here, I got up early and **(2)**

a long swim. I felt so good

because the air was fresh and the beach was beautiful. I also made some new

friends from Spain who also stayed at our hotel. They were friendly and kind.

They taught me how to speak their **(3)**

and so did I.

Yesterday I **(4)**

shopping in an old market and I bought you

a nice gift. I hope you like it. See you **(5)**

I get home.

Love,

Emma
