MEMBUAT SURAT PRIBADI

Buatlah surat untuk sahabatmu yang memuat semua bagian surat dengan benar!

A large rectangular area enclosed by a dashed border, intended for writing a letter. It contains several horizontal lines for text entry. The lines are arranged as follows: one line at the top right (for an address), followed by a block of lines on the left side (for a salutation and opening), then a series of lines spanning the width of the box (for the main body of the letter), and finally a line at the bottom right (for a closing).
