Chile's Hidden Gems

Chile is full of incredible places. One of the most magical is Chiloé Island. It has the most colorful wooden churches and the quietest landscapes.

Another hidden treasure is the Elqui Valley. It's one of the clearest places in the world to see stars. At night, the sky is the darkest and the most beautiful.

Finally, we have Conguillío National Park. It's the greenest place in the south. It's also the most peaceful park with beautiful lakes and forests.

True or False

1. Chiloé has colorful modern buildings. ____
2. You can see stars clearly in Elqui Valley. ____
3. Conguillío is the busiest park in Chile. ____
4. Chiloé is described as magical. ____
5. Elqui Valley is great for stargazing. ____

Find the Superlatives

Underline or highlight the **superlative adjectives** in the text.

What's the most...? Let's describe destinations in Chile!

● Speaking Practice – Ask and Answer

Work in pairs or groups.

Prompts:

What's **the coldest** place in Chile?

Where can you find **the most expensive** hotel?

What's **the best** place for food?

What's **the most interesting** cultural tradition?

Promote your destination!

Objective:

You will describe a place using **at least 3 superlative adjectives**, acting as tourism promoters.

Instructions:

Each student (or pair/group) **chooses a destination**.

Options: Valparaíso, Chiloé, Santiago, Torres del Paine, San Pedro, Elqui Valley

They prepare a short description using **superlatives** to promote it.

Example:

*I think Pucón is the **best** place for adventure. It has **the most exciting** activities. The lake is **the most beautiful**, and the food is **the tastiest**.*
