 *What are they going to do on their trip?* **A Greener Way to Travel**

Camila and Javier are going to travel to the south of Chile next month. They're going to stay in a small eco-lodge near a lake. The hotel is going to use solar panels and recycle its waste. Camila is going to eat vegetarian food and take photos of the forest. Javier is going to walk in the mountains and support local businesses. They're not going to use plastic bottles. They're going to reduce their impact on the environment.
