Complete the text about Elena's family with the words in the box.

chat shows comedies cookery shows on-demand series soap operas

My parents enjoy watching TV dramas, especially when they are true stories from history. They both like _____with famous chefs, too. My dad also enjoys _____ on late-night TV. They make him laugh, but I don't think his favourite shows are funny at all! My mum watches _____ with interesting celebrities talking about their latest films, and I sometimes watch them with her. My grandma enjoys her favourite _____because she knows all the characters and is interested in their lives. I usually prefer _____to regular TV programmes because I can watch them when I want to. I love that!
