I'm having a big party and I need some detectives to look after my beautiful painting, 'The Toothache'.

No problem, Miss Rich.

This is my beautiful painting.

Ooh, there are a lot of cakes!

There's a lemon cake, a chocolate cake, an apple cake and a carrot cake.

Would you like a cake, Sir?

Er ... I can't choose. Oooh ... Which cake?

I'd like a lemon cake, please. Which cake would you like, Key?

Look, I've got an apple cake, I've got a carrot cake, I've got a lemon cake and I've got a chocolate cake.

Oh, Key. That's not good for you.

Hmm, what's the matter Key?

I've got some chocolate cake and now I've got a stomach-ache, too.

...and I haven't got my beautiful painting!
