Punkty 4

Have you ever wished you had your own place? (1) Using materials which mostly came from recycling centres, he constructed his own home. It's got everything he needs, including a kitchen, a bathroom (with shower), a bedroom and a toilet. (2) It's unusual for another reason too – it's built on wheels, so Austin can take it with him wherever he goes. He did most of the work himself although he had some help from his father and family friends. The whole thing took less than two years.

(3) Then he moved in, and he's lived there ever since. He likes the independence, and he likes 'living small', he says, because it's cheap and green.

(4) However, when he leaves school and goes to university, he won't leave it behind. He's going to take it with him, and live in it while he studies. Then, when he gets a job, he plans to take his little house with him once more.
