READING

My favourite dish

Arthit

Pad thai is one of my favourite dishes. It's from Thailand and it's usually spicy. It has noodles, garlic, onions, fish sauce, chillies and peanuts. Sometimes, people eat it with chicken or meat, but I like it with vegetables.

Beatriz

I love piri piri chicken. It's a spicy dish. Where is it from? Some people say it's from Portugal, some people say it's from Brazil and some people say it's from Mozambique. But now there are piri piri chicken restaurants in many different countries. It's easy to make. It has chicken, oil, chillies and garlic. People usually eat it with rice.

Mateo

I don't like spicy food. My favourite dish is salmorejo soup. It's from Spain. It's a cold soup and it has tomatoes, oil and garlic. It also has white bread in it. It's a great dish when it's very hot in the summer. People sometimes have it with eggs.
