The diagram shows two boxes, one labeled 25 and one labeled 27. Lines connect these boxes to various school items, each with a subtraction problem:

- Box 25:**
 - Connected to a ruler: $27 - \dots$
 - Connected to a pair of scissors: $28 - \dots$
 - Connected to a box of colored pencils: $\begin{array}{r} 29 \\ - \quad \quad \\ \hline \end{array}$
- Box 27:**
 - Connected to a book: $35 - \dots$
 - Connected to a notebook: $47 - \dots$
 - Connected to a pencil case: $\begin{array}{r} 57 \\ - \quad \quad \\ \hline \end{array}$
