Questions 1 – 4

Read the text. Read the questions and choose the correct answer.

THE ROPE GAME

This game is very popular in many schools because it helps children learn teamwork. Here are the steps to play this game:

1. Two teams stand on each side of a long, strong rope.
2. When the teacher blows the whistle, the game begins.
3. Each team must pull the rope as hard as they can.
4. The team that pulls the rope across the line in the middle is the winner.

Players must work together, hold the rope tightly and keep their feet on the ground. They must not let go of the rope during the game, or their team will lose.

1. How many steps are there in the game instructions?

A. two B. three C. four

2. What is the first step of the game?

A. The teacher blows the whistle.

B. Two teams stand on each side of the rope.
