Unit 2

ReadingRead the following passage and answer the questions:

Let me tell you how I met my best friend, Yousef. Yousef and I went to the same elementary school. Yousef was a new 6th-grade student, and the teacher asked me to show him around during his first week. I agreed to help, and we spent every day together.

Yousef grew up in Abha, and his family moved when his father got a new job in Jeddah. He didn't know anyone, so I introduced him to my friends and classmates. At first, he was quite shy, but then he grew more confident and joined in discussions. He was very interested in sport and asked lots of questions about the school football team.

After school, he came with me to football practice. At first, he just watched, but then he wanted to play. He didn't play well at first, but he tried very hard. And now Yousef is the best player in the team!
