

## ENGLISH TEST

### Mid Term

#### Go Getter 3 - Unit 8

### 1) Read the blog post. Complete the sentences with one, two or three words

#### My New Home *by Beverley Symons*

First, the good news: Mum's starting her new job next month! She's happy because she really wanted it. Then the sad news: we're moving because Mum's job is in the country. Dad doesn't mind because he will work from home on his computer, but I'll miss our semi-detached house in Birmingham.

Some people don't like living in semi-detached houses, but we don't have any problems with our neighbours. My bedroom is next to their daughter's bedroom. I can hear her sometimes and she can hear me, but it doesn't matter.

Tomorrow we're packing our things. We aren't taking all our furniture because our new home is

a cottage and it's smaller than this house. Our cottage is near Harris Hall. Harris Hall was the house of a rich family. It had 64 bedrooms and lots of stairs. Now it's a hotel. It still has lots of stairs but lifts too! There's a restaurant on the ground floor and Mum is the new chef there!

Next week we're driving to a town near Harris Hall. We want to check it out and see what activities we can do there. My new school is in the town too. I hope we'll be happy there. I'll write all about it soon!
