#### CLASSWORK: CAMBRIDGE WRITING PRACTICE

**Part 2:** Write an answer to this question. Write an answer in **140–190 words** in an appropriate style.

Read this part of a letter from your English-speaking friend, Daniel.

When I was watching TV yesterday, I saw a really interesting advert that made me think of you and your interest in digital marketing! I'm actually doing a school project about advertising, and I'd love to hear your opinion.

What kinds of adverts are common in your country? Do you think advertising really influences people's buying decisions? Have you ever been persuaded to buy something because of a commercial or a pop-up?

Please write back soon.

Daniel

Write a letter to Daniel, answering his questions.

#### Basic Letter Structure Table (Greeting – Body – Closing)

Part		Function	Example sentences
Greeting		Say hello to your friend and introduce the purpose of writing.	Hi Daniel, Thanks for your letter. It's great to hear you're doing a project on advertising! I'm happy to share my thoughts with you.
Body	Paragraph 1	Answer Q1: What kinds of adverts are common in your country?	In my country, we see a lot of TV commercials, online pop-ups, and social media ads. Billboards are also quite popular in big cities.
	Paragraph 2	Answer Q2: Do you think advertising really influences people's buying decisions?	Personally, I believe advertising has a big impact on how people make decisions. Some ads are so creative that they make the product seem like something you truly deserve.
	Paragraph 3	Answer Q3: Have you ever bought something because of a commercial or a pop-up?	There was one time when I was really influenced by a pop-up on Instagram for headphones. The ad was short but effective, and I couldn't resist buying one.
Closing		End the letter politely, invite a reply.	Let me know what kind of ads you see in your country; I'd love to compare! Write back soon! Love, [Your name]

❖ **Định nghĩa:** Đại từ phản thân được dùng làm tân ngữ (object) của động từ khi hành động của động từ do chủ ngữ thực hiện tác động lại ngay chính chủ ngữ.

❖ Nói cách khác, đại từ phản thân được dùng khi chủ ngữ và tân ngữ của động từ là cùng một đối tượng.

Đại từ làm chủ ngữ (Subject pronouns)	Đại từ phản thân (Reflexive pronouns)	Đại từ làm chủ ngữ (Subject pronouns)	Đại từ phản thân (Reflexive pronouns)
I	myself	it	itself
you	yourself	we	ourselves
he	himself	you	yourselves
she	herself	they	themselves

*E.g.* He doesn't have a piano teacher. He teaches **himself**.

\***Note:** “By + đại từ phản thân” được dùng để diễn tả ai đó làm điều gì đó một mình hoặc không có sự giúp đỡ từ người khác.

*E.g.* I don't think I can do it by **myself**; I really could use some help.

##### 2. Compound adjectives (Tính từ ghép)

❖ **Định nghĩa:** Tính từ ghép là các tính từ được ghép lại từ các danh từ, động từ, trạng từ, v.v. bằng nhiều công thức khác nhau. Các từ thường được nối với nhau bằng một hoặc nhiều dấu gạch nối.

*E.g.* **short-handed** staff, **blue-collar** workers, **grass-fed** beef, **one-of-a-kind** website, etc.

❖ Các công thức thành lập tính từ ghép:

<b>number + singular noun</b> (số + danh từ số ít)	<b>ten-minute</b> break; <b>five-minute</b> meeting; <b>six-page</b> document; <b>18-year-old</b> singer; etc.
<b>adjective + noun</b> (tính từ + danh từ)	<b>long-distance</b> relationship; <b>high-quality</b> video; etc.
<b>adjective + present participle</b> (tính từ + hiện tại phân từ)	<b>hard-working</b> person; <b>good-looking</b> man; <b>easy-going</b> friend; <b>long-lasting</b> friendship; etc.
<b>noun + present participle</b> (danh từ + hiện tại phân từ)	<b>record-breaking</b> athlete; <b>mouth-watering</b> meal; <b>time-consuming/time-saving</b> practice; etc.
<b>noun + adjective</b> (danh từ + tính từ)	<b>smoke-free</b> room; <b>fat-free/sugar-free</b> food; <b>eco-friendly</b> products; <b>world-famous</b> artist; etc.

<b>adverb + past participle</b> (trạng từ + quá khứ phân từ)	<b>densely populated</b> city; <b>well-known</b> singer; <b>well-written</b> book; <b>highly respected</b> professor; <b>most-viewed</b> video; etc.

○ Nếu tính từ ghép bắt đầu bằng trạng từ đuôi “-ly” thì thường không cần dấu gạch nối. Các trạng từ không có đuôi “-ly” như “well”, “ill”, “fast”,... thì thường cần gạch nối khi đứng trước danh từ.

*E.g.* **overly affectionate** person, **warmly received** welcome, **ill-prepared** student, **fast-growing** company, etc.

## The reluctant hero

The most endearing thing about Aaron Green – and there are many – is his refusal to accept how famous he's about to become. 'I can walk down the street and not be hassled, which is really nice. I kind of hope that continues and I'm sure it will,' he says earnestly. He seems genuinely to believe that the job won't change his life. 'There's nothing fascinating about my life, and there's absolutely no reason why that should start happening.' You can only wish him well.

How lovely if this turned out to be true, but the chances are it won't, and he must know this. Aaron has been cast as the hero in the latest fantasy blockbuster that will hit our screens next year. The first photo of him in his costume was released last week to an Internet frenzy.

*line 11*

After an award nomination for his last film, Aaron is having the biggest year of his life, but it hasn't gone to his head. 'It's nice if your work is praised, but it's all very new to me, this,' he says. 'I really like working in this profession and exploring its possibilities. Who knows what the future holds? We could dream about what might happen next, but there's not much point. I'm just enjoying my job and want to do well in it in the future, but that's kind of it, really. No big hassles.'

Of all the characters in his last film, which is based on a true story about a group of university students who start an influential blog, Aaron's character is the one who emerges as most likeable. But he insists that the plot is not as straightforward as it might appear. 'What's wonderful about this film is that everyone feels they are the good guy. I don't think anyone in the cast felt they were playing the villain. It was just a group of human beings that had different opinions.'

It's a typically thoughtful answer from the 27-year-old, who seems to be a bit of a worrier and prefers to avoid watching himself on screen. Doubtless he doesn't care for interviews either, but he is so open and engaging that you wouldn't know it. He felt 'a heightened sense of responsibility' playing a real-life person in his last film, but had no contact with the person concerned. 'These people are living and breathing somewhere – of course that has a great effect on the care with which you approach your work. I kept wondering if he'd come and see the film, if he'd recognise himself in my performance or be angered by it.'

His performance has a vulnerability about it that is almost painful to watch. Does he seek out those parts or do directors see that quality in him? 'I don't know, I think it's probably a bit of both. I certainly have that unwillingness to lose naivety; to lose that childlike way of looking at the world. I find it a very real and profound theme in my life and, talking to other people my age, I think it's universal.'
