Your school has decided it wants to do more to help the environment. Talk together about the things it could do and then decide which is best. Here are some pictures to help you.

Topic: Helping the environment at school.

You can see pictures (for example: recycling bins, solar panels, etc.).
You should:

Talk about each picture and say what it shows.

Give your opinion about each idea — is it good or not, and why.

Decide which idea is the best way for your school to help the environment.

Speak for about 1–2 minutes (≈ 15 sentences).

Make a short video of your speech and send it to your teacher.
