

Imagine that you are doing a project on the least-liked aspects of school for teenagers in Zetland. You have found some data on the subject — the results of the opinion polls (see the pie chart below).

**Comment on the data in the pie chart and give your opinion on the subject of the project.**

**The survey question:**

**Which of the following aspects of school life don't you like?**

**Choose one option**

**Write 200-250 words.**

Use the following plan:

- make an opening statement on the subject of the project
- select and report 2 - 3 facts;
- make 1 - 2 comparisons where relevant and give your comments;
- outline a problem that can arise with one of the aspects of school and suggest a way of solving it
- conclude by giving and explaining your opinion on the importance of school education for teenagers.
