A simple life

The Amish people in America live in a very traditional way. They don't use modern machines. They haven't got cars. They have horses instead. The children haven't got a lot of modern things, like mp3 players or mobile phones.

Sam, an Amish boy, likes his simple life. 'I love helping with the animals,' he says, 'but I'm interested in ICT. I really want a laptop. I want to play computer games and watch videos.'

Claire is fourteen years old. 'I'm hardly ever bored. I meet friends or I help my mum at home,' she says. 'I don't go shopping because my mum makes all my clothes. I'm usually happy with my life, but sometimes I really want to watch TV!'
