Travels

Emma I love traveling. Last summer, I went to Paris. It was my first time in France. I visited the Eiffel Tower, which was amazing. I also went to museums and saw beautiful art. I found a restaurant with traditional food from around the world. I tried French food like croissants and cheese. They also had sushi and South America food. It was delicious. I took many photos and made new friends. In two years, I am going to visit Australia because I want to see the wildlife but next year I'm going to visit Italy. I can't wait to see the Colosseum and try Italian food.

Jake Traveling is my hobby. I went to Japan and France last year but this time I stayed in Tokyo and Kyoto more days than in Paris. I went to Paris in spring and Japan in the summer. Tokyo is a big city with lots of people and tall buildings. Kyoto is quiet and has beautiful temples. I enjoyed the sushi and ramen. I enjoy Italian pasta, but Japanese food is my favorite. I'm planning a trip to Australia to see the kangaroos and to Canada because I'd like to see the Niagara Falls and explore the national parks next year. I hope to take great pictures.

Nora I enjoy visiting new places. Last winter, I traveled to South America, Australia, and Japan. I stayed in Sydney and Melbourne. Sydney has a famous opera house and lovely beaches. Melbourne is known for its parks and gardens. I went to a wildlife park and saw kangaroos and koalas. It was an exciting experience. Japan has wonderful buildings.
